## LIFESTYLE PHOTOGRAPHER

---

### ABOUT ME

Specialising in wedding photography and baby portfolios. I am well versed in photoshop, editing - creative themes are my strong suit. Happy to travel and available on a freelance basis.

### WORK & LIFE EXPERIENCE

#### **FREELANCER – WWW.ITISME.COM**

*(2018 - Current)*

After years in the industry and finding my niche, I created my own website and transitioned to fully freelance operations. I showcase all my projects and works within my website and am available based on quotations through the site.

#### **GRAPHIC DESIGNER**

*(2015 - 2018)*

After completing a diploma in Graphic design, I was selected to fulfill the role of Graphic designer for a local marketing agency. All media created was for digital design and implementation.

#### **ASSISTANT PHOTOGRAPHER**

*(2010-2015)*

Started to learn my trade with an exceptional photographer, renown for her works with wedding shoots. Assuming both the assistant and editing functions, this period was invaluable to my passion and talent growth.
